System Requirements

Browser requirements

To access our online services, your browser will need to meet the following minimum requirements:

- Latest version of Google Chrome

- Latest version of Mozilla Firefox

- Latest version of Safari on Apple Mac OS X

- Microsoft Edge

- Microsoft Internet Explorer 11 (with Windows 8.1 or Windows 10 operating systems)

Browsers and operating systems should always be kept up-to-date, with all available patches and security updates installed. We cannot provide support for out-of-date or end-of-life systems.

Smart form requirements

We recommend opening the smart forms on a Windows computer using Adobe Reader DC.

Land titles smart forms will not work correctly on the following versions of Adobe Reader:

- Any version older than Adobe Reader 10.0

- Version 11.0.21

- Version 17.012.20093

Scanning requirements for eRegistration

All scanned and uploaded documents must be of sufficient quality to allow for electronic examination. Documents must be:

- In colour

- 300 DPI

- In PDF format

The suitability of scanned documents will ultimately be determined by the District Registrar.

Deposit requirements for Plan Deposit Submission

To upload a plan to Plan Deposit Submission, your deposit image must be in a **TIF/TIFF** file format.

Deposit images must be in black and white and of sufficient quality to allow for electronic examination. As a guideline, this would be a resolution of 400 dpi.

Deposit images submitted for re-examination may need to be uploaded in colour to highlight corrections.

Supporting documentation

Supplementary images and documents for Plan Deposit Submission can be in any of the following file formats:

- TIF/TIFF
- DWF
- JPG/JPEG
- PDF/PDFA

Supplementary images and documents must be of a sufficient quality for examination. The suitability of image quality will ultimately be determined by the Examiner of Surveys.
