SALE AND FORECLOSURE SCAMS

Losing your home or real estate through sale or foreclosure is frightening. Manitoba property owners are falling victim to con artists who offer to help you save your property, but will only make things worse.

The offer may sound good, but it is probably a scam.

- The con artist may urge you to sign a paper that gives your property to the con artist in exchange for low or no payments.
- The con artist may promise to give your property back to you after you meet certain conditions, such as making payments in very tight time limits.
- The con artist may tell you this is just another way to secure a loan.

If you are contacted by somebody who says they will “help you save your property”:

- Contact your corporation. They may be able to work out an agreement with you that is within your budget.
- Get advice from a trusted lawyer or accountant.
- Don't sign anything until you talk to a trusted advisor.
- Don't trust any offer to lease back your property so you can buy it back over time. The offer may sound good but the conditions often make it impossible to buy back the property.
- Don't sign any papers in blank or with blank parts; information can be added later without you knowing. Demand copies of all documents you sign.

If you feel you have been the victim of fraud, contact the police.

RIGHT TO TAXATION OF MORTGAGEE'S COSTS

You are required to pay the costs of the mortgagee to stop these proceedings.

These costs must be in accordance with the Tariff of Costs established by the Registrar-General.

The Tariff of Costs is available online at <https://teranetmanitoba.ca/news-updates/registrar-general-directives-and-notices/>.

If you believe that the costs you are being asked to pay are not in accordance with this Tariff, subsection 143(1) of *The Real Property Act* allows you to request a review of those costs by the District Registrar.

Subsection 143(2) of *The Real Property Act* provides that in conducting such a review, the District Registrar is to be guided by the Tariff of Costs.

More information about this process is available by calling 1-844-737-5684.
